IDScan.net **Point of Rental** Software

Simplify Event Rentals & Check-Ins

A complete retail solution powered by WizzForms ID parsing & the Thales QS2000 scanner.

Introducing a new, all-in-one retail solution from IDScan.net and Point of Rental.

This ID parsing and scanning bundle combines the power of IDScan.net's WizzForms with the Thales Gemalto Document Reader QS2000 for easier party rental and event guest check-ins.

Benefits

Speed: Keep the line moving (and customers happy) as the Thales QS2000 quickly scans IDs and passports, while WizzForms populates any form in less than one second.

Accuracy: Say goodbye to inaccurate data entry. WizzForms is the most robust, up-to-date software solution, automatically capturing ID data with 100% accuracy.

Security: Keep records private by eliminating the need for photocopies. The Thales QS2000 does the work for you.
